

## WANTED

### FIRE ENGINEER

Candidate will perform supervisory work in the operation of daily activities at the fire station during the absence of the Shift Captain or Lieutenant for the Town of Tarboro Fire Department. Candidate must be able to drive fire truck, operate fire-fighting equipment and apparatus and administer life support techniques and procedures. Candidate must possess a valid N.C. driver's license with a good driving record and live within a 30 mile radius from the corporate limits of the town. Candidate must have a Firefighter II Certification and a Level I Standard Fire Inspector's Certification. Completion of a two year degree in Fire Science or an equivalent combination of training and experience is required. Candidate must have considerable experience and training in a municipal fire service. Excellent benefits and starting salary is \$37,768 annually. Applications can be downloaded from [www.tarboro-nc.com](http://www.tarboro-nc.com) and will be accepted until January 17, 2019. Submit applications to:
