

CRS Activity 510

Progress Report on Implementation of Credited Plan

Date this Report was Prepared: July 25, 2018

Name of Community: Town of Tarboro

Name of Plan: Nash-Edgecombe-Wilson Hazard Mitigation Plan

Date of Adoption of Plan: July 13, 2015

5 Year CRS Expiration Date: October 2021

1. How can a copy of the original plan or area analysis report be obtained:

A copy of the Nash-Edgecombe-Wilson Hazard Mitigation Plan is available at the Tarboro Town Hall and also online at <http://www.tarboro-nc.com/Planning/NEW%20Hazard%20Mitigation%20Plan%202015.pdf>.

2. Describe how this evaluation report was prepared and how it was submitted to the governing body, released to the media, and made available to the public:

This report was prepared by staff and discussions with each Town department and Nash and Edgecombe staff. It was circulated to the Town Council through an internal memorandum, a copy provided to the local newspaper, Tar River Times, and posted online on the Town of Tarboro's website.

3. Provide a description of the implementation of each recommendation or action item in the action plan or area analysis report, including a statement on how the project was implemented or not implemented during the previous year:

See attached.

4. Discuss why any objectives were not reached or why implementation is behind schedule:

Hurricane Matthew occurred in the fall of 2016, and recovery efforts have consumed the efforts of all emergency management staff time and budgetary outlay. Increased funding through grants pursued will increase the ability to further address implementation.

5. What are the recommendations for new projects or revised recommendations?

The 2018 recommendations include the following in addition to working on existing plans:

Concerted effort to develop a combined Town and County Animal Shelter located outside of the floodplain which will be able to serve as an emergency animal shelter .

Include progress and goals created with the implementation of a Stormwater Fee effective July 1, 2018.

N.E.W. REGIONAL HAZARD MITIGATION PLAN 2015-2020
